

Acuity invites you to take your learning on the go with our Mobile App, **Go.Learn**. The **Go.Learn** app is optimized for iOS and Android devices including smartphones and tablets. It is not limited to any plan type and is accessible to all users.

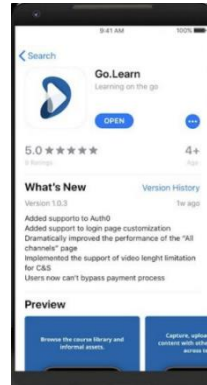

The mobile app can be used to purchase or view and complete lessons. Currently you are not able to download course materials, upload assignments or view your certificate using the **Go.Learn app**.

### To Begin Using the App

**1. Download the app from the Apple Store or Google Play.**

Locate the app by searching **Go.Learn**

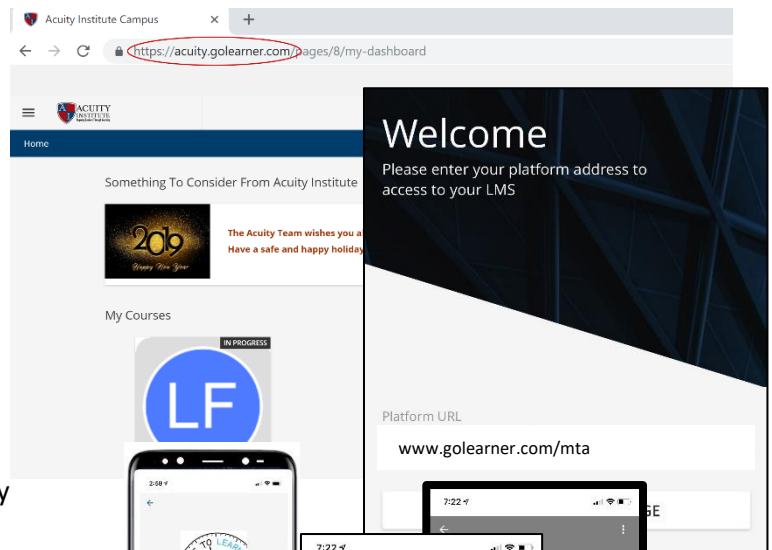

The app is free of charge.

**2. Enter your campus URL.**

You can confirm your URL by viewing it from your desktop. Your URL is displayed just above the campus.

[www.acuity.golearner.com](https://www.acuity.golearner.com)

**3. Create or Log in with your student credentials.**

Create your student credentials or if you already have a username, enter your username and password to begin using the app.

Once logged in, you can view your assigned courses. You will also find the menu icon  in the top left corner of your screen. From the menu you will see your picture, email address, and various tabs.

When accessing your course, you will see the course details and a list of learning objects in the course. You can watch all learning object types in your mobile app.
